

Follow the instructions below to create your own Easter Chick decoration.

When you are finished, why not share a picture of your creation to our social media page?

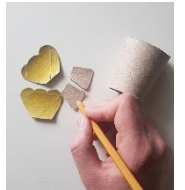

You will need...

- Scissors
- Sellotape
- Toilet Roll Tube
- Colouring Pencils
- Black Biro

Step One

Cut your toilet roll in half. Flatten one of the halves, and draw templates for the wings, feet and fluffy bits.

Step Two

Cut them out, and using a yellow pencil colour them, along with the tube itself.

Step Three

Using the pencils and your biro, draw a face for your little chick.

Step Four

Fold down the card at either side of the top of your chick's head and sellotape them down.

Step Five

Sellotape your wings and fluffy bits to the back of the chick.

Step Six

Sellotape the feet to the bottom of the chick.
